You are invited to join The Regional Printing Institute and us at "QuarkXPress 6.5 and Beyond." This is your opportunity to hear about some of the great features in QuarkXPress® 6.5, and learn what's coming in QuarkXPress® 7. You will also:

- Learn QuarkXPress 6.5 tips and tricks for using some of the productivity enhancing features, including how you can create Web pages, import Microsoft® Excel® documents, create and work with layers, and synchronize text throughout a project.
- Discover how to edit pictures directly in QuarkXPress, import native Adobe® Photoshop® documents (.psd files), and create PDFs.
- See a preview of QuarkXPress 7 and have the opportunity to speak directly with Quark, Inc. representatives.

All attendees will have a chance to win a FREE copy of QuarkXPress 6.5!
